Letter of Support

Dear Committee,

With this letter we nominate Sandor Brockhauser, the head of the Open Scientific Computing Group at the European XFEL, to represent our facility and contribute to the work of the Committee. With this nomination, we believe that our link to the NEXUS community becomes closer and hopefully the existing NIAC welcomes and approves the nomination.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Thomas Tschentscher', with a long horizontal flourish extending to the right.

Thomas Tschentscher
Scientific Director
